

Winter/Spring 2018 ARTLAB Afterschool REGISTRATION PACKET

ARTLAB is designed to support teens (ages 12-18) build their artistic practice and individual style while offering exposure to new materials and techniques. Under the guidance of faculty, artists, and NHIA artist-teacher candidates, students will be challenged to step out of their creative comfort zones and explore a theme through various independent and collaborative 2D and 3D projects. This is the perfect opportunity for young creatives of all levels to push their artistic boundaries, meet other local teens, gain experience in different mediums and challenge themselves through creative experimentation. ARTLABS end with a pop-up gallery reception for teens to showcase their work to family and friends.

SCHEDULE

ARTLABs follow a theme over eight weeks (sessions a and b), however students have the flexibility to register in four-week increments. Students can also attend multiple days a week and explore different themes, mini-workshops and studios.

OPEN STUDIO (Optional)

Students have an opportunity to create freely during “open studio” time before ARTLAB. Our studio offers access to a wide range of materials including paint, charcoal, clay and more for independent or collaborative artistic creation. Students can use this time to brush up on their technique or work one-on-one with Youth Arts Instructors on new approaches. Snacks are also provided at this time.

AREAS OF FOCUS

ARTLABs guide students through a range of mediums and techniques. All ARTLABs will include instruction around painting, drawing and collage, along with mini-workshops experiences with guest artists. Each four-week session of ARTLAB will include mini workshops in different studios across the NHIA Manchester campus, ranging in photography, printmaking, illustration and more. If you’re interested in learning more about the specific mediums for each ARTLAB, contact the Director of Youth Arts, Jaclynn Hart at jaclynnhart@nhia.edu or 603-836-2119.

ARTLAB GALLERY RECEPTION

An integral part of ARTLAB is sharing the young artists’ creative experimentation and process with family, friends and the public. Each student is invited to exhibit work in one of two pop up gallery receptions.
