2018 Friday Night CoLAB REGISTRATION

We're excited to announce Youth Arts newest program, **CoLAB**. Taking place at the NHIA Manchester campus the second Friday of every month from 5:00pm to 9:30pm during the school year. CoLAB is a safe space for creativity, ideas, experimentation, and materials to collide. Together young artists will spend their Friday night developing a shared vision and creating an original collaborative art piece. Emphasis will be placed on the creative process, communication, collaboration and (of course) fun! CoLAB is perfect for young artists of all levels to be artistically challenged and meet other local teens. Join us for dinner and let's create!
