

INTRO TO WEAVING

\$289

Level: Beginner

Prerequisite: None

Instructor: Connie Gray

This approachable 120week class focuses on the fundamentals of weaving on a four-shaft floor loom. Learn to wind a warp, dress the loom, and weave small samples of various patterns through both group and individual instruction. Designed for beginners or those looking to refresh their skills. Materials and equipment are provided.

Sharon Campus / FIB014SA

Feb 2 - Apr 19

Saturdays, 10am - 1pm

INDEPENDENT EXPLORATIONS IN WEAVING

\$319

Level: Intermediate

Prerequisite: Fundamentals of Weaving or equivalent experience

Instructor: Christine House

Chart your own course at the loom in this self-directed course designed for students who have already gained understanding of basic weaving techniques. Through one-on-one direction, demonstrations and group discussions, you'll delve into your own independent weaving project, setting your own pace and discovering your style and voice.

Looms and equipment are provided; students bring their own yarn.
