

INTRO TO INTERIOR DESIGN

\$149
Level: Beginner
Prerequisite: None
Instructor: TBD

The basis for all your future study in Interior Design, this course will give you a solid grounding in the essential concepts you'll need to create beautiful and functional interior spaces, from physical and social comfort to ergonomics, anthropometrics and space planning. One daytime field trip to the Boston Design Center is required.

Manchester Campus / INT001MA

Feb 6 - Mar 20, no class Feb 20
Mondays, 5:30 - 8:30pm

INTERIOR DESIGN ELEMENTS & PRINCIPLES

\$149
Level: Intermediate
Prerequisites: Introduction to Interior Design
Instructor: TBD

This course puts interior design concepts to work, applying the knowledge gained in Introduction to Interior Design to use in a design project. You'll delve deeper into various elements and principles of design while you take your skills to the new heights.

Manchester Campus / INT078MA

Mar 27 - May 1
Mondays, 5:30 - 8:30pm

RESIDENTIAL DESIGN

\$289
Level: Intermediate
Prerequisites: All previous required courses in the certificate program
Instructor: Melissa West

As the culminating course in NHIA's Interior Design Certificate Program, Residential Design puts all your skills and knowledge into practice to solve a real, in-depth design problem. Using a case study of a construction and renovation project adjoining multiple spaces, you'll work through the entire design process from programming to implementation.

Manchester Campus / INT010MA

Feb 7 - Apr 25
Tuesdays, 5:30 - 8:30pm

COLOR THEORY

\$149
Level: Beginner
Prerequisite: None
Instructor: TBD

Start speaking the language of color through this introductory course, which will introduce you to basic color science and vocabulary, exploring the aesthetic, psychological and other aspects of color. Your awareness of color will be refined through a series of assignments and projects.

Manchester Campus / INT002MA

Feb 8 - Mar 15
Wednesdays, 5:30-8:30pm

COLOR FOR INTERIOR DESIGN

\$149
Level: Intermediate
Prerequisites: Color Theory
Instructor: TBD

The right colors can make or break a design. In this course, you'll learn to apply your knowledge of color theory with confidence, using the right hues to achieve a client's desired outcome in a design project.

Manchester Campus / INT073MA

Mar 22 - Apr 26
Wednesdays, 5:30-8:30pm

AUTOCAD FOR INTERIOR DESIGNERS

\$149
Level: Intermediate
Prerequisite: Technical Drawing
Instructor: TBD

Meet AutoCAD: an essential tool for today's interior designers. In this hands-on course, you'll learn the tools and terminology you need to move from pencil-and-paper inspirations to drafting floor plans, elevations and other basic architectural drawings. Students must bring their own laptop and buy necessary software.

Manchester Campus / INT019MA

Feb 9 - Mar 16
Thursdays, 5:30 - 8:30pm

SKETCH UP FOR INTERIOR DESIGN

\$149

Level: Beginner

Prerequisite: None

Instructor: TBD

Transform your floor plans into animated walks through vivid, three-dimensional models using SketchUp. This course will introduce you to this versatile software, beginning with creating basic models, then adding furniture, accessories, color and materials. Students must bring their own laptop. Information for free Sketchup software installation will be provided upon registration.

Manchester Campus / INT069MA

Mar 23 - Apr 27

Thursdays, 5:30 - 8:30pm

TIMELESS DESIGN

\$129

Level: Beginner

Prerequisite: None

Instructor: Emma Paradis

What makes a home design withstand the test of time? In this course, you'll study master designers both past and present to discover the elements that make an interior truly timeless.

Manchester Campus / INT044MA

February 18, 10am - 4pm

INSTAGRAM FOR INTERIOR DESIGNERS

\$129

Level: Beginner

Prerequisite: None

Instructor: Emma Paradis

Instagram is a visual community and is a perfect platform for interior designers to promote themselves. In this workshop we will discuss how to make Instagram work for your interior design business.

Manchester Campus / INT079MA

March 4, 10am - 4pm

STARTING OUT...WHAT WE'VE LEARNED

\$129

Level: Beginner

Prerequisite: None

Instructor: Emma Paradis

Ready to start your interior design business? Learn from someone who's already been there. In this afternoon workshop, you'll get a chance to discuss ideas and strategies with an experienced designer.

Manchester Campus / INT080MA

March 18, 10am - 4pm
