

## Fall 2018 ARTLAB Afterschool REGISTRATION PACKET

ARTLAB is designed to support young artists, creatives and makers (ages 12-18) build their artistic practice and individual style while offering exposure to new materials and techniques. Under the guidance of faculty, and artists, students will be challenged to step out of their creative comfort zones and explore a theme through various independent and collaborative 2D and 3D projects. This is the perfect opportunity for young artists of all levels to push their artistic boundaries, meet other local teens, gain experience in different mediums and challenge themselves through creative experimentation.

Each ARTLAB ends with a pop-up gallery reception for young artists to showcase their work to family and friends.

### OPEN STUDIO (optional) 3:00 – 4:00pm

Students will have access to a wide range of materials including paint, markers, charcoal, clay and more. Students can use this time to create independently, collaboratively, or work one-on-one with Youth Arts Instructors on new approaches. Snacks are provided at this time.

### AREAS OF FOCUS

ARTLABS guide students through a range of mediums and techniques. All ARTLABS will include instruction around painting, drawing and collage, along with mini-workshops experiences. Each ARTLAB session will include a mini workshop in a different studio on the NHIA Manchester campus, ranging in photography, printmaking, illustration and more. If you're interested in learning more about the specific mediums for each ARTLAB, contact the Director of Youth Arts Programs and Outreach, Jaclynn Hart at [jaclynnhart@nhia.edu](mailto:jaclynnhart@nhia.edu) or 603-836-2119.
