NHIA requires that all first and second-year, full-time (i.e., students with 12 or more credits), BFA students live on-campus. This requirement may be waived for students who:

- 1) Live at and commute from a parent's/legal guardian's (defined as the person(s) who is named and whose financial information appears on the student's completed FAFSA) home address that is less than 50 miles from NHIA's Manchester campus (based on Google Maps)
- 2) Will be 21 years or older at the start of the upcoming NHIA semester
- 3) Transfer 30 or more college credits to NHIA, and/or
- 4) Are married, in a civil union, have a domestic partner, or are the primary care-giver for a child at the start of the upcoming NHIA semester.

NHIA is eager to foster a vibrant residential experience for our new students and believes that residence hall living offers an invaluable component of the overall art school experience. Living in the Residence Halls allows students the freedom to focus primarily on their course of study. We believe strongly that living on campus releases a student from the stress of commuting, monthly financial and roommate issues, safety concerns, and also allows them to participate in the creative community on campus.

\*\* The Housing Damage Deposit (for resident students only) is assessed only once and will be refunded to the student, less any damage to NHIA property, at graduation or when they move off campus.

Students enrolled in more than 18 credits per semester will be assessed an Overload Charge of \$1,095 per credit.

Students concerned about paying NHIA's costs are strongly encouraged to complete the FAFSA before March 1, 2017 at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). NHIA's school code is 031823. Need-based tuition and housing grants are available to NHIA students who qualify.

NHIA offers a payment plan option for all students.

\*Tuition and fees are subject to change.
